

HAPPY PLAYFUL STUDENTS AT HANDS OF HOPE ACADEMY

EDUCATION CARE PROJECTS KENYA

[ECPK]

March 2018

## A Moment of Thanks

In this newsletter, we would like to reflect on the many blessings from the Lord for which we are truly grateful.

Firstly, we are thankful to you! Currently, we have 28 faithful supporters whose regular donations make the work of Education Care Projects Kenya possible. Thank you!

We are thankful for the 21 Maasai students who Joseph has returned to school for another year of education in 2018.

We are thankful for Hands of Hope Academy and the 34 students who are studying there this year.

We are thankful that four of our students have progressed to university study and are safely enrolled for 2018.

So, in total, we are thankful for 59 beautiful young people who have been rescued, and are being cared for and educated because of your compassion and generosity!

Unfortunately, one of our boys could not return to school because of trauma that nearly took his life. We are grateful we got him treatment in time to save his life. The three days in hospital was \$620 AUD. Please pray for him. We are seeking a donor to fund three months of private tutoring to assist his recovery.

If you are one of our 28 wonderful regular supporters, again we thank you! If you would like to support the work of Education Care Projects Kenya, we invite you to partner with us by setting up a monthly contribution. Single time donations are also greatly appreciated. Tax deductible receipts are available upon request. Your generosity saves the lives of many children!
